

**SECURE AND COMPLIANT
COLLECTION ENVIRONMENT****INTERNAL COMPLIANCE DEPARTMENT**

Harris & Harris maintains an internal compliance department headed by ACA Scholar and General Counsel Aryeh Derman, Esq. Our Compliance Department is tasked with maintaining absolute compliance with all federal, state, and local regulations through proper training and quality assurance checks.

PHYSICAL SECURITY

All Harris & Harris facilities are secured by key-carded access, internal and external video cameras, and biometric locks in areas such as Information Technology and Finance and Accounting.

NETWORK SECURITY

Protecting the data of our clients is paramount at Harris & Harris. We employ a world-class firewall, hardened network structure, VPN remote security, intrusion prevention and detection, and advanced anti-spam/anti-virus/anti-phishing measures.

DATA SECURITY

All measures of ensuring data security are employed at Harris & Harris. We are PCI and HIPAA HITECH certified and control access to data on a need-to-know basis. Password management controls are implemented at the network and operating system layers. All data is encrypted and all possible measures are taken to ensure that data elements are secure and data privacy cannot be compromised.
