

HEALTHCARE SERVICES DIVISION

WE MAKE THE HARRIS CONNECTION

Our recovery process is grounded in connections. We connect with insurance companies in ways they can understand by using our experienced team and data driven process. Our connections are what make us 20-25% more effective than other firms.

DEDICATED UNIT

Our dedicated insurance division consists of specialized representatives that manage eligibility, view and edit claims and submit and track status of disputes.

KNOWLEDGEABLE

Our staff working in the insurance division have more than seven years experience in the industry, and have undergone extensive annual training to know the latest changes in insurance practices and the law. Often, intricate knowledge is the difference-maker.

CONNECTED ONLINE

Our advanced IT systems are the pride of the industry. Harris & Harris can customize programs to meet your needs, and can upload reports directly to SFTP sites for fast, easy delivery, and tracking.
